LETTER OF APPRECIATION

Ms. Sandra Johnson,

On behalf of the Eastland Gardens Civic Association, I want to share our deepest appreciation for your years of volunteer service at our Kenilworth-Parkside Community Recreation Center. Over the past 24 years, you have selflessly given your time and energy to the children of this community. Your demonstrated dedication and commitment are to be commended. We felt it appropriate to share our thoughts and say thank you.

We want to especially acknowledge the fact that over these 24 years, you have been this community's most successful sports coach. We have witnessed your success in coaching Little League Baseball, T-Ball, Soccer, and Basketball for boys and girls, ages 8 – 18. In many seasons, you managed to successfully and simultaneously coach multiple-teams, in the same sport. This is a tremendous testament of your amazing leadership abilities.

This past basketball season, you coached three different teams, two of which went undefeated during the regular season! This is an outstanding accomplishment!

Hence forth and forever more, this letter will serve to let all know that Coach Sandra Johnson is hereby recognized by this Association as the best and most successful Sports Coach in the 36 year history of the Kenilworth-Parkside Community Recreation Center.

Coach Johnson, you have served this community and our children, meritoriously and honorably. We look forward to many more years of your leadership, coaching success, and community service!

Sincerely,

Greg Rhett
